

Knowledge Bowl

Owl is an academic competition involving teams of students answering questions in a written round and several oral rounds. No team is eliminated in this event, and every team participates in every round. The written round is a multiple-choice exam taken by the team. Results of this round are used for seeding the teams in the oral rounds. In the oral rounds, three teams compete to answer the questions the fastest.

Advisor	Year	State Participants
Sue Haley	1989-1990	Started the program with one team in Nevis
