Selected history of the school lunch program:

Late 1930s – Start of the hot lunch program for rural students, city students need to go home for lunch or bring their own lunch.

July 19, 1944 - Students were charged 3 cents for hot lunches. A hot water heater was purchased for the dishwasher.

April 6, 1948 – The school board approved the purchase of an electric refrigerator for the kitchen.

September 11, 1968 - The cost of milk for the week for students bringing sack lunch was fifteen cents.

April 9, 1973 - The State of Minnesota recommended the school lunch program should have milk purchased in ½ pint cartons rather than using a milk dispenser machine.

June 18, 1973 - ½ pint of milk cost 7 cents and chocolate milk cost 9 cents.

August 22, 1977 - Adult lunches were set at \$1 per lunch. The cooks were to provide chef salads and ham and cheese sandwiches at a cost of \$.55, when requested in the office in the morning. Student lunch prices were lowered to \$.40. Milk cost \$.03 per student and \$.10 per teacher per half pint.

July 28, 1981 - School lunch prices were raised to 60 cents for K-3, 70 cents for 4-6 and 80 cents for 7-12. Adult lunches were priced at \$1.30 (August meeting).

April 30, 1985 – The new building was to have a 1320 sq. ft. kitchen compared to the current kitchen size of 600 sq. ft.

September 8, 1987 - First day of school in the new building, the kitchen used paper plates as the dishwasher still needed to be hooked up.

November 23, 1998 - A new oven was approved for purchase in the kitchen at a cost of \$6,000.

September 1992 - A State-mandated breakfast program started with thirteen students and by October an average of sixty students were eating. Breakfast cost was \$1.00 for students and \$1.30 for adults.

March 24, 1997 - The school lunch ala carte program began.
