Online Resources used in Title 1 for 2nd Grade Students

1. Reading Eggs is an online reading site. This site makes learning to read interesting and engaging to emerging readers with hundreds of individually structured activities and lessons.
2. Raz Kids is an online site that also engages young readers with developmentally leveled books at 27 reading levels to increase comprehension and fluency. These leveled readers can be done with or without sound. Comprehension questions are also available.
3. TumbleBooks – eBooks for eKids! The Tumble Book Library is an online collection of animated, talking picture books which teach young children the joys of reading. Like the Raz Kids site, these books can also be done without sound and have comprehension questions available for each story.

I will also be working on many 2nd grade reading concepts throughout the school year. These concepts are:

Second grade Title 1 students will stay very busy as we continue to work on many facets of the reading process.
