Graduation Information:

Everyone is invited to graduation. There are no tickets or reserved seating.

Caps, gowns, tassels, and stoles will be delivered to the school in April. Students will try on their gowns. The gowns are forest green in color with a green and gold tassel. The stoles are gold with NHS on one side and the graduation year on the other. The school will have the gowns ironed; parents do not need to iron the gowns. Students will be able to get their gowns on the night of graduation.

During graduation, there is a time when the seniors go out into the audience and present flowers, which they have brought with them, to friends and family. The flowers can be purchased at Walmart, Park Floral or other floral place of the students choosing. Graduates are not required to hand out flowers, but it is a time when they can say thank you and good bye to friends, teachers, and family members.

After the graduation ceremony, the graduates form a receiving line on the ramp to Tiger Arena. Following the receiving line, the graduates return to Principal Strom's office to receive their diploma.
